Forecast for Thursday 13 Jun 2024

Weather: There will be some clear spells first thing, but cloud soon thickening from the west. Persistent and occasionally heavy rain will arrive by mid-morning, potentially easing by late evening. Winds will strengthen throughout the day, with a risk of gales over the highest peaks.

Chance of cloud-free hill tops above 800m: 90% initially, falling to 30% by late morning and 10% by the afternoon.

Low Cloud and visibility: Clear initially, but clouds will thicken and descend, bringing occasional cloud cover at 600m by late morning. This will become widespread in the afternoon, with some patches possibly lowering to 400m. Visibility will be good at first but will become poor once the rain arrives.

Meteorologist's View

Conditions deteriorating through the day with rain and strong winds through the afternoon. Feeling cold across the tops in wet conditions

Forecast for Friday 14 Jun 2024

Weather: Friday will have patchy clouds and occasional showers, with one or two becoming heavy and potentially accompanied by thunder from late morning. Showers will persist into the evening. Feeling chilly, especially within showers and on the peaks.

Maximum wind: Southwesterly 20 mph, gust 30-35mph.

Chance of cloud-free hill tops above 800m: 30% at first in the west, 60% elsewhere. Rising to 70% across the park from mid-morning.

Low Cloud and visibility: Patchy cloud down to 600m first thing. Thickest on western facing slopes. Cloud slowly lifting and breaking through the morning to above most summits, however cloud cover falling to 600m again in heavy showers. Visibility good outside of any showers

Temperature: **Valleys:** Plus 11 Celsius rising to Plus 14 Celsius
At 800m: Plus 4 Celsius rising to Plus 7 Celsius
Freezing level: Above all summits.

Saturday	Sunny spells and occasional showers. These occasionally heavy, with a chance of the odd rumble of thunder. Breezy and feeling chilly.
Sunday	Sunny spells mixed with showers once again, these should be fewer in number and lighter than Saturday. Staying rather cool but feeling warm in the sunshine.
Monday	Similar to Sunday, sunshine and one or two showers. Feeling slightly warmer than previous days with lighter winds.
